## RIDER NOTES

We are looking forward to welcoming you to the Albury Wodonga Equestrian Centre (AWEC) for our event. Following are a few notes to assist you in your preparation for the event.

- **Print your own Back number** - these will be emailed to you prior to the event.
- **Print your own course map** - these will be on Nominate or use the x-country app to access the map for x-country, optimum times will not be released till the TD has approved and measured the tracks - this will be later on Friday.
- **There will be no official notice board** to post notices so listen closely to announcements and check your emails regularly.
- **There will be no scoreboard.** Live scoring will be available on Nominate, including movement by movement dressage scores.
- **There will be no formal prizegiving.** Ribbons and prize money will be available 30 mins after final scores are posted for each class from the secretary's office at the clubhouse. Please note that EvA60 & EvA80 classes will be finished on Saturday and prizes awarded on Saturday. It would be appreciated if winning horses could be presented at prize giving so we can take photos for our sponsors.
- **Helmet tagging** – we will have a steward on hand for helmet tagging on Saturday morning at the main office area. All riders must be wearing approved helmets.
- **Dressage arenas** – Arenas 1 to 4 are on the main turf arena. Arena's 5 & 6 are on the PoloX field (behind amenities block) and arenas 7 and 8 are at Black Range pony club grounds (enter near the XC start box).
- **Show Jumping** – for all classes except EvA60 will all be conducted on the main AWEC sand arena. EvA60 show jumping will be at Black range Pony Club.
- Day parking will be at either the Roberts Rd arena parking area or the un-powered camping area in the wooded area to the west of the water jump.
- Dogs are permitted at AWEC but **must be on a lead at all times** and not within the stable area.
- All riders must wear current EA approved back protectors on Cross Country.
- Please check that your camping AND stables/yards are booked for all nights you are staying. We have many booked for Saturday night only, yet anticipate that some will arrive earlier. If you now need to book other nights please contact AWEC Coordinator Jessica Bryce on [office@awec.net.au](mailto:office@awec.net.au) or 0427 540 467 to book and pay. **For general camping and stabling inquiries please contact Jessica on the above number or email.**
- Please note that **stables/yards do not come with bedding** and **AWEC only allows shavings** as bedding for the stables and covered yards. Shavings, feed and other equine supplies can be ordered from our event provider **PETstock Albury on 02 6040 7600**. Advance orders are required. As a sponsor of the event, we encourage you to support **PETSTOCK ALBURY**.
- Unpowered camping (should have been booked prior) is un-allocated so please be conscious of space and access when setting up your camps and yards.
- All campers must display camping receipt on dashboard of car/truck and report to parking attendant on arrival. We note there are some competitors who plan to build yards but have yet not booked camping. Please ensure camping bookings are finalised before the event.

- Powered campsite users who build yards must keep yards within the boundary of the site.
- If you haven't been to AWEC before there is a direction map on the [AWEC website](#).
- Ice will not be available on site however there are 2 petrol stations and supermarket within a 5-minute drive.
- There will a coffee van and day catering at the venue. There is no dinner on offer at the venue but we encourage you to support our Class Sponsor **Thurgoona Country Club**. They have a great roast dinner deal on Saturday night at member rates – see flyer below.

**Additional Camping and Parking Information – All Competitors**

We are looking forward to welcoming you to the event this weekend. It is vital that you go the correct area on arrival as space is at a premium and all powered camping is booked out. **A list of all bookings will be sent out to riders prior to the event. If you do not receive this and believe you have a booking, please make contact with Jessica Bryce.** A booking list will also be displayed on the information board at the AWEC office. Competitors who have hired stables, covered yards and open yards, please camp as close to your yard as possible.

**UNPOWERED CAMPING AND MAKING YOUR OWN YARDS**

**You are not permitted to build yards in the compound areas (where the C, F and E yards are).** These areas are for competitors that have paid for unpowered camping and an open yard.

On a first in best dressed basis, you may choose to:

- Camp in the wooded area to the west of the water jump. There are open yards there that can be booked and a wash bay.
- Roberts Rd arena (Cow Horse Arena). Do not build yards in front of the permanent yards. There is a wash bay at Roberts Rd.

**DAYTRIPPERS**

Day parking will be at either the Roberts Rd arena parking area or the un-powered camping area in the wooded area to the west of the water jump.

**POWER**

All the power points have been tested and are working. The trip switches will be activated if you have faulty equipment on your float/truck or if the power point is overloaded. Please be aware that each power point has 2 outlets which can mean the other camper is responsible for the trip. The switchboards for the powered campsites are in the following locations:

- 1-20 board located at campsite 3
- 21-42 board located at campsite 42
- 43-75 board located at campsite 54

A map of the underground power is included for the safety of those building yards in the powered campsites.
