

STUARTHOLME IQ QUALIFIER 7 & 8 FEBRUARY 2026

RIDER NOTES

Welcome and thank you for supporting our Stuartholme Equestrian Team Interschool Qualifier.

The schedule is full so we ask all competitors to listen closely to announcements and please be courteous to your fellow competitors, volunteers and organisers. Please arrive on time and with a smile.

We look forward to a fantastic weekend and we wish all competitors the very best of luck.

Our general recommendations for competition day:

- Float parking gates open at 6:30am. Leave yourself plenty of time to arrive and on arrival please follow the parking steward's instructions carefully - this is a busy event with restricted parking so it is important that all competitors park as directed. If you do not park as directed you will be asked to move.
- On arrival report to the event office and sign in, confirming you have signed up for sufficient volunteer positions that align with the competitor's nominations
- Check if there are any scratchings/withdrawals
- Check location of gear check area and location of your competition area, your warm-up and exercise areas etc.
- Keep yourself and horse hydrated at all times – visit our wonderful canteen for coffee, meals and drinks

Dressage Gear check and ride times

- Please present to the marshal at the Rider Check In area 15 to 20 minutes before your ride time.
- All IQ dressage competitions are run in accordance with EA and FEI Rules. Please see <https://www.equestrian.org.au/Dressage-rules> for further information. Please don't wait until your ride time to ask about gear queries.
- In accordance with the applicable rules after each a dressage test, riders must immediately report to the steward for a compulsory gear check before dismounting, ensuring no equipment is altered beforehand. Failure to do so results in ELIMINATION.

- The draw allocates you a time for riding and you must ride at your published draw time. **Your Ride time is the time you should be riding up the centre line** – not presenting to the marshal at the gate.
- You cannot be required to ride before this time. However, if the horse prior to you is scratched and you are ready to ride, we kindly request that you consider riding early to keep the day moving smoothly.
- In this regard, in the case of scratchings, you may ride UP into a scratching but NOT down into one.
- Callers are permitted for this event

In addition to sign-up roles, we will require assistance from **all competitors** with:

- dressage arena pull down
- show jump set up
- rail pick up and height changes

throughout the competition. Thank you in advance for your help.

Don't forget a wide brimmed hat, sunscreen and water bottles for yourself. We will have cold drinks including water for sale in the canteen.

Reduce the duration of your warm ups and listen carefully for official announcements. Prioritise your horse at all times. EA Heat and Horse Welfare Policy will be adhered to.

Warm up

All disciplines will warm up on the grass area on the far side of the sand arena. Access the warm up area via the day parking. Please follow all instructions given by officials, use your common sense and ride safely at all times.

Please limit warm up times as appropriate for conditions.

Water for horses

There will be a large water trough at the warm up area. Please bring your own buckets and scrapers as needed and take water from the large trough to water horse and use as needed from your private bucket. *Please do not allow your horse to drink from the communal trough or put your equipment in the communal trough.*
