SIMON KALE CLINIC

14 & 15 SEPTEMBER 2024
BLATHERSKITE PARK, ALICE SPRINGS NT

*Supporting & Growing Equestrian Sports in the
Northern Territory*

Event Information

Clinic Details

This clinic is open to current ENT Members (excluding Supporter members). Day membership is available for \$50.00 for the duration of the clinic.

The clinic will be run in the format of group lessons with 3 to 4 riders per group. Riders can select their riding ability in the following format:

- Ground Poles
- Up to 65cm jumping
- Up 80cm jumping
- 95cm + jumping

These height groups are a guide to help determine the best group to place the rider in. As a guide, select a height that you are comfortable to jump in from day 1 of the clinic. To optimise your time and experience with Simon, we strongly recommend you bring the same horse to each lesson. If you would like to bring additional horses to the clinic, we recommend additional clinic spots are booked.

Group lessons will be conducted on Saturday 14 and Sunday 15 September 2024 (individual lessons are not available). For the cost of the clinic you will receive 2 lessons per day with Simon. 1 lesson in the morning and 1 lesson in the afternoon.

The duration of the lesson will be dependent on final rider numbers. As a guide the minimum will be 1 hour. We encourage riders to assess their fitness as well as their horses for the demands of this clinic.

Cost

The cost of the clinic is \$240.00 per horse/rider combination. [Individual lessons can not be purchased.](#)

Refund Policy

Refunds will be provided in the following situations/circumstances:

1. Cancellation of the clinic by ENT.
2. Via Nominate prior to close of entries,
3. Post close of entries a vet or medical certificate must be produced within 5 days of the last day of the clinic.

If a rider is unable to attend, lessons can be on sold to another current ENT Member (with the exception of a Supporter Member).
