This is a great opportunity to practice your test riding in a non-competitive environment under the eyes of qualified judges. Maybe you want to have a go at riding a test for the first time or take your horse to that next level without the pressure of competing. Your judge will mark your test as if you were competing. Get a great insight into what the judge sees, learn how to increase your marks and have the opportunity to ask questions about your test riding.

Code of Conduct

Competitors are expected to follow the Code of Conduct as set by the EA.

Any rider/participant who bullies, harasses or sends an abusive text message, messenger post, email, letter or posts a message on social media to a committee member, volunteer, judge, steward or other official will be automatically eliminated from the training day and JEA membership (if applicable) will be revoked immediately. The JEA Committee may also ban the rider/participant from participating in any future JEA competitions, training days, championships or other events organised by JEA.
