Friday Riding areas

- Undercover arenas
- Arena 3 sand arena near cross country around arenas in Campdraft arena

Attention All Riders

Check after a fall – you must be checked by Medical after a fall anywhere on the grounds before either riding again or leaving the venue.

Vet Check after elimination or retirement on XC - you must take your horse to the vet at the finish if you are either eliminated or retire on the XC course no matter what the reason.

Continuing after elimination – you may not continue on XC after any clear form of elimination e.g. 3 refusals at a fence (remember A and B elements count as the same fence) or 4 refusals around the course (3 at 2* and above)

Skinny fences and the 15 penalty rule – in judging these fences the only video that will be considered is official video by a designated person. It is unlikely that all fences will be videoed and in these cases we will rely on the fence judges expertise.

Eliminated Combinations in any phase may not compete in further phases of the competition with the exception that combinations in National Classes may do so with the explicit permission of the Technical Delegate.

If uncertain about these or any other rules please ask for help – **we are happy to help!**

SIGN-UP

We will be using sign up again to get extra volunteers we will send out a flyer with more information please remember many hands make light work. Your help is always greatly appreciated by the committee and officials.

Prizes will **NOT** be posted after the event. Please arrange these to be picked up. Prizemoney will be deposited via bank details by Treasurer and email sent to sponsor of class.

The event will be run under EA rules. The Organising Committee reserves the right at their absolute discretion to alter or amend any of the conditions, regulations or any aspect of the event as they see fit. All owners and competitors will be personally responsible for damages to any third parties caused by themselves, their employees, their agents or their horses.

COVID Safety Plan and Eventing NSW Mitigation Plan can be found on the EA website.

If you have COVID-19 symptoms, please notify the committee immediately and do not come to the event.

For spectators and volunteers and any other foot traffic, please enter through Gate 5.

Free parking in front of indoor arena.

We are looking forward to seeing you all there.

AELEC is owned by the Tamworth Regional Council. We are so fortunate to have such a wonderful facility, please help us to take care of it. All Camping will be via Gate 7, please drive past camping gate house, past indoor arena, through the roundabout. The boom gate will be monitored. You will then drive past the Ebb and Flow arenas, around campdraft arena and into the camping area to find your camping position.

Please camp in your allocated positions and have your horse in the correct stable. At the end of the weekend, all bedding needs to be removed to be eligible for your refund. Please bring a wheelbarrow, rake, shovel, broom, as AELEC does not provide these.

Camp sites will be randomly checked. Please check you are in the correct camping site.

We have such amazing stables - temporary yards are not allowed at AELEC.

Day parking is through the roundabout past the indoor, turn left and then hard right into the parking area through gate 8 on the right BEFORE the boom gate. The gate must be kept closed at all times.

To access the arenas there is a gate into the adjoining paddock and a roadway towards cross country which will lead you to the riding areas.

Dogs are welcome! But must be always on a lead, don't forget your lead.

The main office for riders will be at the top of the Ebb and Flow arena.
