Allan Shields Trophy

sponsored by **Warrina Equestrian**

Allan is a legend in the Narrandera district. Allan spent many years involved with Narrandera Pony club encouraging all to have a go and contribute to the local community through pony club and particularly eventing.

Allan with no real training in the sport, apart from enthusiasm and farming built the original x-country at Narrandera; then maintained and updated the course for many years at his own expense to the benefit of the entire community. One of Allan's ambitions was for the venue to host "open horse trials" to inspire local talent to get out, compete and achieve. It has taken a few years to happen; unfortunately, Allan is kicking on in another life, but with the aid of Wagga Horse Trials, riders will be competing for the Allan Shields trophy on 12th & 13th August at The Narrandera Pony club.

The trophy rug will be awarded to the rider completing the event and having a clear cross country round closest to Optimum time (no time penalties). In the case of equal scores after cross country, show jump scores will be considered, clear round and then closest to optimum time.

NOTES FOR RIDERS, PARENTS AND SUPPORT PEOPLE NEW TO EVENTING.

Hi there! We have put together this information in the hope that it helps makes your experience in eventing great fun. This sport is great for people to enjoy the outdoors, their horses and the company of people from very diverse backgrounds with a common interest. Take the time to chat and make great friends and learn. It is one of the few sports where juniors and people new to the sport warm up and compete alongside professionals. Be inspired by Australian representatives and international riders.

As with most sports in Australia it is **the Athlete's (riders) responsibility to know the rules**. The links below are very useful to read before competing.

Current Equestrian Australia Eventing rules

<https://www.equestrian.org.au/sites/default/files/Equestrian-Australia-National-Eventing-Rules-CLEAN-effective%201%20July%202023.pdf>

Cross country guide for Athletes Coaches and Officials. (Remember this is a guide not the rule book)

[https://www.equestrian.org.au/sites/default/files/Cross%20Country%20Resource%20for%20Athletes%20Coaches%20and%20Officials%20\(1\).pdf](https://www.equestrian.org.au/sites/default/files/Cross%20Country%20Resource%20for%20Athletes%20Coaches%20and%20Officials%20(1).pdf)

Below outlines the answers to some commonly asked questions.

1. For all phases riders must compete in an English type saddles and equipment. (no stock or western saddlery. Bitless bridles may not be used)
2. All helmets must be inspected, approved and tagged to compete in Equestrian Australia events.
3. Rider's Boots and chapettes must be Brown or black.
4. All riders must wear their allocated draw (back) number in cross country (you may wear you back number in each phase) horses must also wear the same number on the bridle or saddle cloth in each phase.
5. Whips and horse boots are not permitted in the dressage arena. Showjumping whips and horse boots may be used in showjumping and x-country.
6. Riders may wear a back protector in each phase if they wish but they **MUST** wear a back protector x-country.
7. Riders may only hit (whip) a horse twice (2) for any one incident.
8. You must retire after 3 refusals or runouts at any one jump or a total of 4 on the entire course.

Lastly please remember that all the people working so hard for the sport at our event are **volunteers** donating their time and experience to providing you, the competitors, a fantastic opportunity to enjoy a sport we all love and benefit from. **SO PLEASE BE POLITE AND RESPECTFUL; WE ARE ALL WORKING FOR THE SAME GOAL; A GREAT FUN, FAIR AND CHALLENGING COMPETITION.**

ENJOY YOUR WEEKEND AND COME BACK NEXT YEAR.
