

STUARTHOLME IQ
Fig Tree Pocket Equestrian Centre

Feb-25

All competitors who have booked yards, must tack up in their yards.

Yards are pre-allocated, please refer to your allocated yard number and yard map at entry to yards.

All riders have an obligation to notify the Organising Committee if they have an aggressive horse and to request a stallion yard or similar, to ensure that the aggressive horse is yarded separately from other horses for the safety of all horses on the grounds.

The Yard Bond is refundable if yards are undamaged and left free of all feed, hay, and manure.

The Yard Bond will be refunded via Nominate post event, after inspection by a representative of the Organising Committee.

Refund is solely at the Organising Committee's discretion. **Yards are inspected at 5pm Sunday afternoon.**

Any feed, hay or manure left in the yard, regardless of the amount, will result in the Yard Bond not being refunded. The yard bond will be called on in the event of damage to the timber yards.

Manure ONLY may be bagged, closed with twine and placed in the FTP 'sell' area. Hay and shavings must be disposed taken home. Please DO NOT bag or contaminate the manure with hard feed or general waste.

Please send a message through to the below Yard Contact if you have any queries / if anything is damaged to a yard while you're there.

FTP Yard Contact: Anna Muir Ph: Number: 0408 462 811
